Commitment to SUSTAINABILITY:

In keeping with Fingal County Council's commitment to sustainability, we:

- Provide free admission to anyone arriving on public transport or by active travel.
- Provide a range of shuttle bus services from towns across Fingal, to encourage sustainability and to get more cars off our roads.
- Have identified ways to reduce pointless use of polystyrene and plastics across the event. We work with exhibitors and vendors to ensure that they use only cardboard or compostable materials, and are part of our drive to reduce waste.
